Dockets Management Branch (117 A-308) MAY 24 All :45 Docket No. 98N-1265 Food and Drug Administration 5600 Fishers Lane Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I value the right to have my physician & I decide about my individualized prescriptions. The precribed medications from my compounding pharmacy have eased my symptoms & make it possible for me to have a more normal & healthy life. Please do not restrict consumer patient availability to those Services.
